

The Ohio Association of Metal Finishers October 2017 Dinner Meeting

Joelle Zak, Scientific Control Laboratories, Inc.

A longtime friend of OAMF, Joelle Zak, of Scientific Control Labs, will come to Cleveland to provide a Compliance and Regulatory Update specific to Region 5. As a nationally-known speaker, Joelle's specific, practical and straightforward presentations always provide the forward-looking, industry insights that OAMF members' value. Be sure to bring your questions for a dynamic and informative Q & A session following the presentation.
