REGULATORY COMPLIANCE SEMINAR

May 9, 2017

at the
Northeast Ohio Regional Sewer
District

Sponsored by:

Northeast Ohio
Regional Sewer District

Ohio Environmental
Protection Agency

Ohio Association of
Metal Finishers

SEMINAR INFORMATION

This half day seminar provides important information regarding maintaining compliance with environmental, health and safety regulations.

WHO SHOULD ATTEND?

Anyone responsible for environmental and/or health and safety compliance.

WHAT WILL I LEARN?

- Topics presented in the seminar include:
 - A review of the RCRA regulations pertinent to small and large quantity generators;
 - Evaluating of wastes to comply with RCRA regulations;
 - Manifesting wastes;
 - RCRA land disposal restrictions;
 - RCRA and disposal changes to the NEORSRD's Administrative Order (Wastewater Discharge Permit);
 - An update to the services and assistance that are available from the Ohio EPA's Office of Compliance Assistance & Pollution Prevention;
 - An overview of the local air permitting regulations; and,
 - An overview of workplace safety issues and accidents and ways to prevent them.

Please note that the RCRA portion of this workshop may fulfill part of your the annual RCRA training requirement (non site specific portion) depending on your Personnel Training Plan. Site specific RCRA training requirements are not covered and remain the responsibility of the individual facility.

EVENT: Regulatory Compliance Seminar

SPONSORED BY: NEORSRD, Ohio EPA and OAMF

Date:	May 9, 2017
Location:	NEORSRD 4747 East 49 th Street Cleveland, Ohio 44125
Time:	8:00 a.m. to 12:45 p.m.

Registration and continental breakfast begin at 7:30 a.m.

PRESENTERS

Timothy Killeen, Environmental Specialist II, Ohio Environmental Protection Agency, Mr. Killeen has a B.S. in Biology from John Carroll University and has over 16 years experience working for the Ohio EPA in hazardous waste management. He has worked the past 3 years in the Hazardous Waste Compliance and Inspection Support Unit where he answers regulatory questions from the regulated community, as well as audits of hazardous waste inspectors. He also conducts documentation. Mr. Killeen has an additional 13 years of experience with the Pennsylvania Dept. of Environmental Resources' Division of Materials and Waste Management conducting solid and hazardous waste inspections and 8 years of experience with the Ohio Department of Transportation conducting internal audits of ODOT facilities.

Wolfram von Kiparski, Process Analyst, NEORSRD. Mr. von Kiparski earned a Bachelor's degree in Geological Sciences from Case Western Reserve University. He has worked as an investigator in the Industrial Pretreatment Program at the Northeast Ohio Regional Sewer District for 13 years. He is currently working as a Process Analyst for NEORSRD and is responsible for issuing all industrial discharge permits.

Tamara Girard, Environmental Specialist II, Ohio EPA, EPA's Office of Compliance Assistance and Pollution Prevention (OCAFP) for the northeast district area. In this role she assists small business in understanding and complying with Ohio EPA regulations in all regulatory programs, including air, water and waste management requirements. Ms. Girard holds an MPH in environmental health and toxicology from Albany State University and brings over 17 years of experience in environmental compliance from both the public and private sectors.

Mara Caputo, Environmental Compliance Specialist, Cleveland Division of Air Quality (CDAQ), Ms. Caputo holds a B.S. in Environmental Science from Cleveland State University and is currently working towards a M.A. in Environmental Studies at Cleveland State University. She has been with CDAQ since August 2015 where she is responsible for the issuance of air permits and the determination of regulatory compliance for more than 400 facilities in Cuyahoga County. She specializes in Volatile Organic Compounds, fugitive dust, and dry cleaning facilities. Ms. Caputo is a member of the Permitting and Enforcement Committee.
